

## Advanced Training for Master Gardeners

Houston County is hosting the **Advanced Master Gardener Training “Integrated Pest Management.”** The class consists of three modules offered on **Wednesday, September 1, Wednesday, September 8, and Wednesday, September 15.** Master Gardeners will meet in the Multipurpose Room, top floor of the Government Building, 801 Main Street, Perry, GA, **at 8:30 AM.** each day. Each session will focus on a particular area of IPM, and opportunities will be provided for “hands on” activities in the community. Class will end at **4 PM** each day.

September 1	Session 1: Intro to IPM and Plant Identification Session 2: Garden CSI and Pest ID
September 8	Session 3: Best Management Practices Session 4: Turfgrass IPM
September 15	Session 5: IPM on key Ornamentals Session 6: Vegetable Garden IPM

Cost of the class is **\$60** for all three modules. Lunch will be served each day to participants.

Master Gardeners working toward Gold Level must be present for all three modules in order to satisfy requirements for Gold Star.

Questions? Call 478-987-2028. You must register no later than **August 13.** For a registration form, [click here.](#)
